

Harris and Cotterill leave

DEREK COTTERILL
... to Woking

WYCOMBE Wanderers released two players this week as the club were unable to give them regular football. Forward Derek Harris has joined Southall while midfield utility player Derek Cotterill has signed for Woking.

Manager Brian Lee explained: "Neither player was going to establish a regular place in the side and to be fair to them, we found them alternative clubs. This is one of the problems of the squad system."

Harris and Cotterill joined Wanderers at the start of the season from Loughborough College, Harris having toured with the Blues in Cyprus during the close season. The centre forward looked a promising player, with many nice touches, although he lacks the stature and power of a target man. Derek began the season as the regular number nine, playing eight of the first nine league matches. After that, however, the form of Dylan Evans kept him out of the side.

Cotterill joined the squad as a midfield player but was unable to challenge Terry Reardon's place in the centre of the midfield trio. But he showed his versatility when called into the full back role on occasions.

Both players' contracts were cancelled by mutual agreement and they should be able to make their debuts for the new clubs this week.

Their departure leaves the way open for Wycombe to strengthen their squad which has now been reduced to 16.
